AL JUUD GROUP

# CEO LETTER

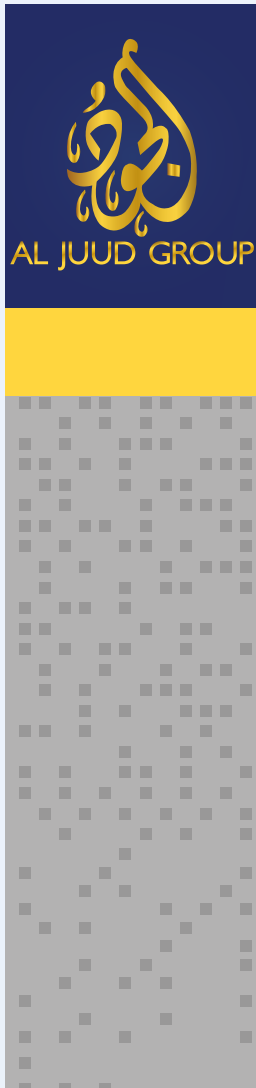

Saif Al-Hani  
Chairman - CEO

Dear client and partners ,  
On behalf of Al-Juud Group of companies , I would like to thank you for choosing our Group to be your destination to get the solution to your projects and getting the proper products . I can tell you that we are motivated and inspired by the opportunities that you give us to be your partners in executing your projects. Our main focus is to know our customers demand and treat them as partners and friend,. Over the years we have remained dedicated to developing our people strengthening our capabilities and building trusting relationships with our clients and partners, and this is our best investment we make each day . We hope you will find one stop station of what you are looking of solutions which fall with the sphere of competence of our companies . The principles and standards we follow made our group one of the most reputed group locally and globally .  
We are excited for the future and looking forward for the best .  
Sincerely ,

AL JUUD GROUP

# ABOUT US

## ABOUT US

Al-Juud Group of Companies was founded in early 1992 by establishing Al-Aeela complex of factories and over the years and based on our commitment to meet our customers expectations, the group has grown steadily by establishing new companies and divisions to cover our customers demand, and from these beginnings we have expand widely by providing high quality of service and since that time our development is apparent over the years.

Al-Juud group of companies is multi-faceted organization with operations in widely different fields.

Our Activities include large-scale in Engineering sector which covers ( Civil , Mechanical , Electrical and Architectural ), Oil & Gas sector, Environmental sector , Manufacturing sector, General Trade sector and Agencies sector.

Our group has set principles in our trading business , , the contracts do not end at the delivery time ,but , ensure that our customers are satisfied with the products they got by providing after sale services , and this sets the group apart from its competitors and provide the opportunity to create long term relationship with our customers .

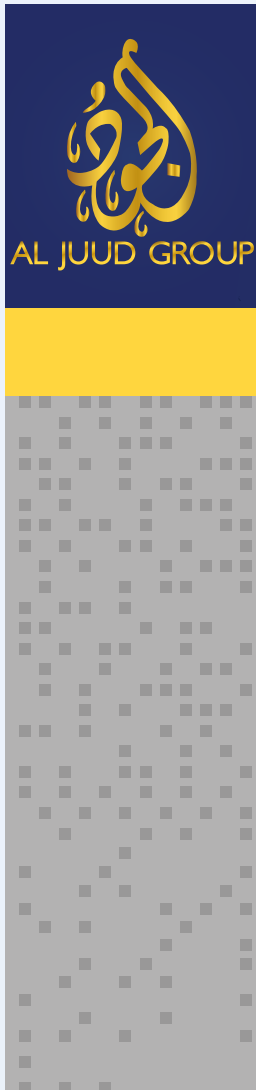

# OUR VISION

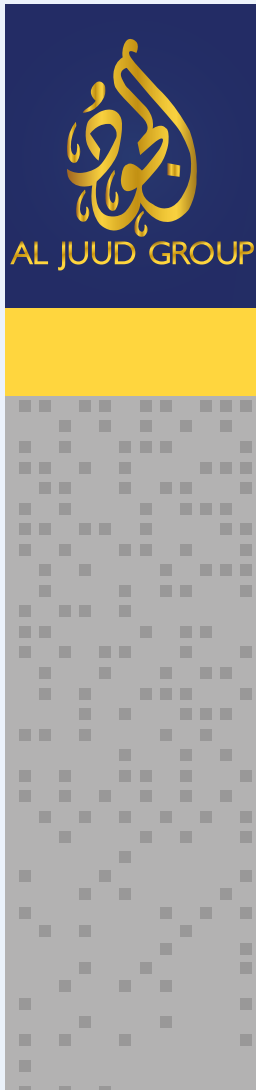

# OUR VISION

We believe that success comes from cooperation and we put our group resources at the service of our customers and partners, in order to create long term value for our stakeholders, we are proud of our history and looking forward for a bright future to be a recognized leader in our field in terms of quality and performance .
